No. 2/26-27. Deputy Commissioner's Office, Kadur Dist,
Dated, Chickmagalur 15th Sept 1927.

The progress made in the execution of the Decrees of Co-operative Societies in the Kadur District during the half year ending 30th June 1927.

The returns from the several Taluks were received as follows:-

Chickmagalur	23rd July
Kadur	14th "
Tarikere	13th "
Koppa	12th "
Mudigere	15th "
N.R.Pura	17th "
Sringeri	18th "

There has been delay in submitting the returns in all cases. This should have been avoided.

DECREES :- There were 264 decrees of the value of Rs 34,398-4-1 pending execution at the beginning of the half year and 74 New Cases were received for execution during the half year.

In 149 out of a total number of 338 cases, Rs 14,385-13-10 were realised leaving a balance of Rs 30,503-5-5. Out of 149 Cases 114 were fully realised, and in 35 cases satisfaction was obtained in part.

The Amildars of Tarikere and Sringeri have not furnished an explanation for the pendency of cases over three years. They should take note that they should do so in future. The execution work is not satisfactory in Sringeri, Tarikere, Koppa, and Mudgere, Taluks. All Amildars and Deputy Amildars should give their personal attention and dispose off the pending execution cases very early. A Special Sheikdar has since been appointed for Sringeri, it is expected that within 2 months the pendency will be completely wiped out.

GENERAL :- The District Inspector of Education, The District Superintendent of Police, Munsiff, Narasimharajapura and Chairman Bench Court, Chickmagalur have not realised the decree amounts though it is over six months and they have not sent progress statement either. They are requested to intimate at what stage the execution stand and do their best to realise the arrears very early.

2. There was a delay of more than a month in the submission of the statements from the Bangalore and Kadur Districts.

3. The officers of the Co-operative Department had 1921 suits before them for disposal, of which 1029 were disposed of during the half year under review, leaving a balance of 892 at the end of June 1927.

4. Government observe that 223 suits were pending before the Assistant Registrar, Bangalore Division, 163 before the Assistant Registrar, Shimoga Division and 275 before the Assistant Registrar, Tumkur Division. The pendency is heavy and should be considerably reduced during the current ~~year~~ half year.

5. Out of 2,792 decrees of the Co-operative Department pending execution by the Revenue Authorities, 1,433 decrees were executed, resulting in a realisation of Rs.1,89,769-6-6 and 1547 decrees of the aggregate value of Rs.2,47,286-13-2 were left unexecuted. Of these so large a number as 736 decrees are pending for over one year; and 254 such decrees relate to the Bangalore District. This cannot be regarded as satisfactory.

6. In addition to the four special sheikdars sanctioned in 1925 for executing co-operative decrees, Government in their Order No.D.11228-38/C.S. 59-25-5 dated 18th June 1927 have sanctioned the proposal to entertain additional sheikdars wherever necessary to enable the speedy execution of co-operative decrees. The Registrar of Co-operative Societies has also been authorised to send decrees for execution to the Civil Courts if the judgment debtor chooses such a course. Government hope that these facilities will be fully utilised to achieve a very appreciable reduction in the number of decrees unexecuted at the end of the current half year.
